

Slice Pizza Company Job Application

We are hiring a food scientist to help design a new pizza recipe!

Right now, we sell a variety of cheese, meat, and vegetable pizzas. The problem is that we don't have a dessert option for people to buy. We want a food scientist to create a dessert pizza that is delicious and costs under \$5.00 to make.

Requirements for a dessert pizza

Ingredients you must include:

- Crust
- Sauce
- At least 3 toppings

Cost for ingredients:

- Under \$5.00

Pizza Appearance:

- Do NOT make pizza a square or circle. We are looking for a creative shape!
- Must be appetizing- it is important that the pizza looks delicious so people will want to buy it.

Are you up for the challenge? We are looking for a creative food scientist to create an awesome, affordable dessert pizza!
